Eagle Families,
Last week we wrapped up our first Progress Monitoring with state testing. The Family Portal can be used to access your student's results and print score reports [Login \(cambiumast.com\)](https://cambiumast.com). The access code needed to log on, can be found in Home Access Center (HAC) under the registration tab.

As you view the results, please remember that students are being tested on all their grade level standards. If you wish to review the results, please attend your child's grade level Curriculum Night.

Please make sure to visit our website for the most up-to-date information regarding our school.
