

Word from the Woods

Mrs. Rodgers, Principal

<https://www.swe.stjohns.k12.fl.us/>

Dear Eagle Families,

February is a wonderful time to reflect on our progress and look ahead with optimism. At South Woods, we remain deeply committed to "Building Brighter Futures" for every student. This begins with keeping our students safe so they can learn, grow, & thrive daily.

We are focused on achieving academic growth for all learners. Our teachers and staff work intentionally to meet students where they are and support them in reaching their full potential. We are proud of the effort our students show every day and the growth we see in classrooms.

Thank you for your ongoing partnership and support. Together, we are creating a safe, supportive environment where every child can shine & "Build a Brighter Future".

As always, if you have any questions or concerns, reach out to our administration to schedule a phone call or meeting.

Keep SOARING!
Angie Rodgers
